 Electrical Fee Sheet

* Attention applicant: You are responsible for filling out this application correctly. If you have any questions concerning what category your work falls under. Please see an inspector or processor for your trade. Refunds will not be given in case of error on your part and you will be charged a double fee plus a \$100.00 for doing work without a permit. Minimum fee for electrical permits is \$65.00, unless otherwise noted.

Under penalties of perjury, I declare that to the best of my knowledge, the facts stated in this document are true. I understand that perjury is a felony of the third degree.
